PROFESSIONAL EXPERIENCE

Adam has extensive experience in the provision of business analysis and reconstruction advice. He has been a key advisor in conducting viability assessments and the designing and implementing of assessment processes. His experience in the delivery of financial assessment services includes:

- Financial Assessment Services Panel: Adam has overseen a Financial Assessment Services team since 2018. Adam has prepared assessments for multiple government departments across a diverse range of businesses.
- Extensive experience providing financial analysis of organisations going through both formal processes and informal restructures. Such engagements include trading businesses requiring ongoing and immediate analysis.

Adam undertakes financial assessments of organisations from which key decisions are made, including the continuation of trading, sales strategies, corporate / director advice and corporate governance compliance issues.

Previous engagements include:

- Conducted the financial assessment of an east coast retailer involved in a formal insolvency restructure and implemented restructure measures to sustain trading
- Oversaw and completed the financial assessment of over 40 sporting bodies across NSW
- Oversaw and completed the financial assessment of over 30 construction companies as part of government tender processes for construction projects \$1m+

Major projects:

- Managed the receivership of a national steel importer requiring the control of ongoing trading to maximise the realisation of the business as a going concern
- Managed the liquidation of a subsidiary of the Provident Capital group requiring detailed financial analysis and reporting to ASIC
- Managed the Special Purpose Liquidation of Octaviar Limited
- Conducted the financial assessment of an east coast retailer involved in a formal insolvency restructure and implemented restructure measures to sustain trading
- Oversaw and completed the financial assessment of over 40 sporting bodies across NSW
- Managed the liquidation of a mining company with global mining interests and broad creditor base, progressing asset sale and asset recovery efforts and reporting to creditors.
- Managed the Voluntary Administration, Deed Administration and Creditors Trust as part of a formal restructure of a large IT company.
