## PROFESSIONAL EXPERIENCE

### Formal Appointments

Voluntary Administration of five retirement villages – the five retirement villages are located in 3 different states of Australia with over one thousand residents. Rui conducted a research into relevant regulations in different states with their applications, performed the investigation into unfair preferences and prepared the remuneration report.

Deed of Company Arrangement of an Australasian mineral exploration company that was previously listed on ASX – Engaged by the Deed Administrator to manage the distribution of dividends, prepare meeting files for Committee of Inspection Meeting and coordinate with the finalisation process. This assignment also includes liaising with creditors, shareholders, lawyers and auditors, investigation into loan and security documents and creation and maintenance of accounting record.

### Informal Appointments

Rui was engaged in the investigation and assessment of debt and equity portfolio of a hospitality group of 30 companies holding six hospitality assets in their debt restructure process. She also conducted assessment of the estimated net realisable value of the group assets and assisted the preparation of due diligence report.

Rui also supported the relisting process of a pre-listed company with more than 70 million shareholdings. Rui is heavily engaged in their annual report preparation, GST auditing and maintenance of financial records. For a strategic transformation engagement of a national media company, Rui performed industrial research, assisted business model building and prepared investor proposal. Strategic advice to a marketing company – Rui conducted investigation and analysis of the company's books and records and prepared the assessment report.
