## PROFESSIONAL EXPERIENCE

### Formal Appointments

Nirvan was involved in formal appointments such as administrations and liquidations. He assisted in investigation and analysis, preparing statutory lodgements and reports, and liaising with various stakeholders.

Nirvan has also assisted in the administration of various bankrupt estates including reporting to creditors, recovering assets and income contributions, completing investigations and communicating with creditors/lawyers.

### Informal Appointments

#### Restructuring of a large Mining & Resource group

Nirvan was involved in the restructuring of a large group of companies operating in the mining and resources sector. Nirvan's role focused on analysing the business performance and position as well as assisting in the preparation of strategy papers, director packs and restructuring plan. He proactively liaised with various stakeholders including management, directors, lawyers, consultants, and lenders. Nirvan also gained exposure to safe harbour advisory.

#### Financial Analysis of a reputed hospitality company

Nirvan was involved in the financial analysis of a reputed fine dining restaurant. He assisted by analysing the revenue, labour costs, profitability and financial position of the business. His work also included conducting investigations into certain transactions and providing commentary around monthly business performance.

#### Financial Assessments on behalf of various NSW Government Departments

Nirvan supports the team in completing financial assessments on companies tendering for government projects. The assessments focus on minimising financial risk to government by analysing financial statements and other records to determine whether the company is viable to complete the project. Nirvan analysed and evaluated a range of small to large sized companies with an annual turnover from \$1m to \$1b.
